

# WEEE, RoHS & REACH Compliance + Conflict Minerals Declaration

---

Manufacturer:

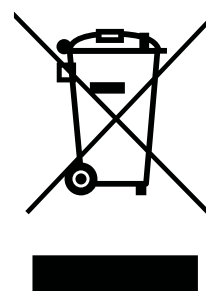

faytech Tech. Co., Ltd.  
Fl. 2, Bldg. 8, Winlead Intelligent Park,  
Shenzhen, China

The Appointed agent:

faytech AG  
Bischhäuser Aue 10  
37213 Witzenhausen  
Germany

## WEEE Compliance Statement

The WEEE directive (Waste from Electrical and Electronic Equipment) requires that manufacturers of electrical and electronic equipment who sell into EU countries label their equipment to notify customers that it needs to be recycled, and ensure that their products are appropriately disposed of or recycled at the end of their lifespan. Products labelled with the WEEE symbol (a crossed out "waste bin") indicates that the final user should not discard the product along with household waste, but that it must be treated separately.

## RoHS Compliance Statement

We hereby state that our products are compliant with European Union Directive 2015/863/ EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS") which took effect on June 4th 2015.

The following substances above the stated concentration are not in our products:

Cadmium (Cd)	0.01 %
Mercury (HG)	0.1 %
Lead (Pb)	0.1 %
Hexavalent chromium (Cr6+)	0.1 %
Polybrominated biphenyls (PBB)	0.1 %
Polybrominated diphenyl ethers (PBDE)	0.1 %
Bis(2-Ethylhexyl) phthalate (DEHP)	0.1 %
Benzyl butyl phthalate (BBP)	0.1 %
Dibutyl phthalate (DBP)	0.1 %
Diisobutyl phthalate (DIBP)	0.1 %

## REACH Compliance Statement

Herewith we inform that the products are in compliance with REACH registration obligations. All relevant substances of the products are registered within the supply chain or are exempted from registration.

SVHC (Substances of Very High Concern) included on the Candidate List for Authorisation according to Article 59 of REACH, including the addition of the 9 substances added in the 28th update, which took effect on the 23rd of January, 2023. The product does not contain, as per recipe, any SVHC above the threshold limit of 0.1 %.

Authorisations and Restrictions according to Annex XIV and XVII of REACH. The product does not contain, as per recipe, any ingredients that are subject to authorization.

## Conflict Minerals Declaration

faytech AG is taking and will take due diligence within our supply chain to assure "DRC Conflict-Free" for the Minerals of gold (Au), tantalum (Ta), tungsten (W), cobalt (Co) and tin (Sn) are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups, or unlawful military factions. Trade routes not confirmed to be "Conflict Free" include direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

faytech AG would like to confirm Minerals used in Products sold to customers are "DRC Conflict-Free"

faytech AG hereby formulated this Conflict Minerals Policy and makes following commitments:

1. Not to purchase conflict minerals from mines in the Conflict Regions.
2. Request its suppliers to notify their upstream/downstream suppliers to follow Minerals Conflict-Free requirements.
3. Continue our industry leadership and our efforts to source conflict-free minerals from the DRC where possible.

The WEEE, RoHS & REACH Compliance, as well as the Conflict Minerals Declaration is issued under the sole responsibility of the appointed agent.

01.03.2023, Shenzhen, China

Arne Weber, managing founder of faytech AG
